## SIGNS SIGNS AND MORE SIGNS

The Sheriff had a good weekend. He drove down to Chilliwack and visited with his brother and sisters and their children. Then on Monday he returned to Kelowna then remembered the Rotary club meeting that evening. Fortunately, he found some questions about the Rotary Summer Festival he had put together earlier. It was lame, but the members were understanding and the money tray filled up. What club job could be easier with understanding members like that?

## GUEST

No guest this evening.

## 2025 Rotary International Congress

Art and Glenna Gillan attended the International Congress. They hung around the Peace Centre and got the chance to mingle with Rotarians from other parts of the world.
