Recipient's Rotary Club Kelowna Capri Lady of the Lake Awards May 2023 –

[No photo available.]

Sophie is a 17-year-old student entering her grade 12 year at KSS. When she graduates, she hopes to attend UBCO for either an engineering degree or a Bachelor of Science and one day Med School. She loves to dance, and some of the styles include Ukrainian, ballet, and hip hop. She has also been playing the piano since the age of 5 and loves to play as much as she can. In the winter she enjoys skiing and snowboarding at Big White. She is also an avid reader and loves reading any book that will expand her knowledge of the world around her. She decided to run for Lady of the Lake because she wants to have an impact in her city and help encourage other

Our second recipient is Tavia. She is originally from Regina, Saskatchewan. She founded the B.E.N.E.F.I.T. club that is now the interact club from the Rotary Club of Kelowna. Tavia has an educational plan A to study medicine and plan B study genetics. She is passionate about helping people, being involved, and having impact on people's lives.

I've never had a high-speed accident nor desired one, but some kind soul sent me a video of how a vehicle can be destroyed in a head on collision. So, I decided to extract some pictures for you.

48 kmh

80 kmh – you see lots of this speed around Kelowna

193 mph – Coquihalla speed merchant. Survival is becoming problematic

128 kmh – the Connector and Coquihalla posted speed

321 km/h – Moron in imported high-performance car. Survival is unlikely
