Foundation -

Continuing The Mission

Our Rotary year is almost over, but the continuing mission of The Rotary Foundation never ends. The programs of the Rotary Foundation are for present and future needs – educational programs, medical assistance programs, community assistance and development programs, and disaster response programs – all to improve the lives of the people of the world.

Thank you for your support of The Rotary Foundation programs and allowing “the good work” of Rotary to continue. We should be proud of our accomplishments as this has been an amazing year in particular for our support for Ukraine and our continued efforts to End Polio Now.
