SIGNS SIGNS EVERYWHERE
THERE'S SIGNS

Arguing with a women is like reading the Software License Agreement.

In the end, you ignore everything and click "I agree".

I once dated a girl with a twin and people always asked me how I could tell them apart... It was simple, Alison painted her nails red and Bob had a beard...

Due to the absence of members as the final Stanley Cup hockey game was on TV, the Sheriff was excused from duty.

Invocation -

Each July offers a new slate, and we must write upon it.

Let us write truth.

Let us write fairness.

Let us write friendship.

Let us write solidarity.

Let us write peace.

Let us write joy.

And let us write thankfulness for what we accomplish together.

Salvation Army Project – Francis Cheng dropped by to update us on how the collection of funds for the Salvation Army goes at the Save-On food stores. A total of just over \$7400 was raised along with donated food at the four locations.

Carola sent out a reminder of the Habitat for Humanity bottle drive – **Saturday July 6, Restore** - please call Danielle Smith at 587 700 1698 to sign up, or drop off your recyclable bottles and cans that day.

Pollinator Highway – no additional information on this item so here's a picture for you from Ron Becker. .

I have a "dry clean only" sweater that is about to learn some harsh truths about living with me
