In the lawn mowing system, weed and crabgrass based offenses are considered especially heinous. The dedicated lawn workers who mow this vicious vegetation are members of an elite squad known as the Special Mowing Unit. These are their stories.

It was an embarrassing evening for the sheriff. He thought it was the Installation meeting and so was unprepared. Fortunately, the members were merciful. They took a small laugh at the Sheriff's mistake and paid their maximum fine anyway.

## New Fundraiser

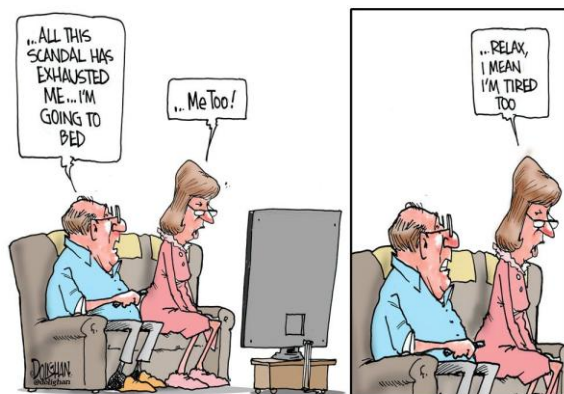

*Sample of a kit offered by the supplier.*

Carola introduced a potential new fundraiser for our club, the sale of emergency supplies and safety supply kits. The brochure she circulated offered everything from individual items to full three-day emergency kits. We would need to order \$1000 worth of kits to receive free shipping. While there were still a few unresolved questions for Carola to research, the club members expressed considerable interest in the three-day emergency kit.
