**SIGNS SIGNS EVERYWHERE  
THERE'S SIGNS**

Sheriff John chose this week to talk about the joys of airplane travel. They were short one-liners such as “Total joy. That moment when the boarding is complete and the seat next to you is empty” or “You’ve never felt true fear until your passport isn’t where you think you left it”. The Sheriff’s joy was seeing a stuffed collection plate after his strenuous efforts.

**Directions to the Fountains**  
**Bob Lemon and Chris Bischoff's Home**  
**#45-2200 Gordon Drive, Kelowna, B.C.**

How to get here: From Gordon Drive, coming from either the north or the south, turn toward the lake at Guishachan. Our gate is the first right. Turn right, and our house (#45) will be on the left. Inside, street parking is allowed. Do not park in stalls marked "Reserved", for obvious reasons. Alternatively, park across the street on Charolais and walk in. The Gate will be open from 5:45 until 6:45. If you are later than that, press the button for "045" and we will buzz you in. If there is no answer, phone me on my **cell 250-212-1902**.

**Karis Pollinator's Garden** – Lockie reported that he has purchased a planter for this site and that installation and planting will occur on June 2<sup>nd</sup>.

**Pollinator Garden** – We are looking at alternate sites such as a school that is being considered but the location is still being discussed. JoeAnna's House and the Legion have also expressed interest in a pollinator garden.

Lockie has put together a 4-plant pollinator garden for anyone who would like to have one at their home. Cost is \$40. Check Zen Nursery's web site to pick the plants you want then order them through Lockie.

**Speakers** – it was decided that we did not need speakers every week. On off weeks the plan is to use Rotary videos to educate and show possibilities.

## HUMOUR

## GUEST SPEAKER

**Suzie Quick**

*Photo by Peter Spek*

The speaker this evening was Suzie Quick. Suzie spoke on her years working for Neiman Markus as a personal shopper. This meant she assisted wealthy people in finding the clothes that fitted their needs best. This could occur after hours in a single location up to travelling on a private jet to shop in various cities. It was a very interesting presentation on a world most of us know very little about.
