- Mar 25 Rotary District Spring Update
- Mar 30 Meet at Packing House Pub

LAST WEEK'S MEETING

No recording of meetings until further notice.

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

I've been watching
my weight.

It's still there.

Sheriff John had been away in California enjoying the chill air and rain of Southern California and came back looking as pasty white as when he left. His heart gladdened to see his fellow Rotarians and he was ready to be Sheriff. His topic was the upcoming change to Daylight Saving Times (DST). One particular point of interest was that while Germany became the first *country* to change to DST in April 1916, it was on July 1, 1908 that Port Arthur (now Thunder Bay) turned their clocks forward one hour to start the world's first DST period. This so amazed the attending members that they began stuffing money into the collection plate.

ROTARY THEME – 2023-2024

Karis Pollinator's Garden – Winter refuses to go its own way and so we continue to wait.

Karis garden area photo by Carola Spek

There is 8 feet between the terrace and the rose bushes. Irrigation is already in place. We can make an appointment with Deborah Klassen to do the measurements then we need to plan our project and order the materials we need. The planning should start after March 25 when Lockie is back in town.

Pollinator Gardens - Jack reported that there will be a meeting on March 12th at Parkinson Rec Centre for interested people and that he plans to attend.

Bottle Sales – the next bottle sale will occur March 31st – April 2nd outside the Independent Store in Capris Centre. Glenna has worked out a roster of volunteers for the sales table.
