About the campaign.

An \$8 million campaign

To radically advance stroke care for patients and families from across the southern interior of B.C.

Chances are you know someone, nearly everyone does. A parent, neighbour, spouse, family member or friend. Someone who was just living their life when suddenly, everything changed. Maybe you always thought that not learning a stroke was the worst outcome until you learned first-hand, the devastating impact of stroke on those who survive, and all who love them.

EVERY MOMENT MATTERS.

A COMPREHENSIVE STROKE CARE PLAN

Donor support will have impact on ALL stages of the stroke care continuum, from onset to rehabilitation, research and prevention.

\$8 MILLION

Please have a look at the recording of this meeting to see Chandel's presentation.

One final note from Chandel

Hi Ron & John,

Thank you again for having me yesterday. It was very timely with the launch of the campaign publicly.

If anyone else is interested in providing a donation, would you mind directing them to include some reference to your Capri Rotary Club so we can ensure your Club receives credit for the support as well?

Our website with lots more great information on the Stroke campaign is www.kghfoundation.com.

Have a fantastic weekend,

Chandel
