ROTARY PROJECTS IN A BOTTLE NEWS

Glenna,

Given the current COVID 19 situation and its constant evolution, I am cancelling any and all lobby events.

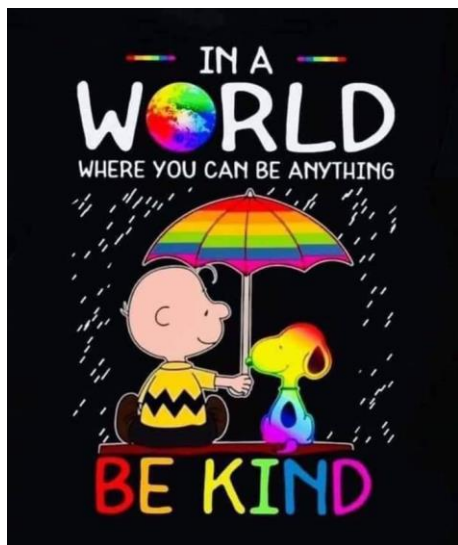

I will notify you when the hospital is running in a way that would be safe for you to continue with this project.

Sincerely and with regret.

Nance

P.S. Be safe and well!

Nancy E. Wells | Director of Business Enterprises

MEETING OF MARCH 12, 2020

VISITING ROTARIANS – none

GUESTS – none

ATTENDANCE – 88%

Sheriff John made a reappearance with a rambling collection of facts that was obviously designed to take the full amount of Sheriff dollars from the members in attendance. Facts like:

1. Why do we use “lbs” to mean pounds?

‘lbs’ comes from the Latin word ‘libra’ which means pound.

2. The name for the shape of Pringles is called a ‘Hyperbolic Paraboloid’.

3. The man who found the 5,000-year-old corpse Ötzi the Iceman in 1991 (Oldest natural European mummy) was also found dead frozen in ice in 2004.

4. “Bluetooth” technology was named after a 10th century king, King Harald Bluetooth. He united Denmark and Norway – just like the wireless technology united computers and cell phones.

Giving Hope Today

February 10, 2020

Dear Len and Team Rotary Club of Kelowna Capri,

On behalf of The Salvation Army, we would like to thank you for volunteering during our **2019 Christmas Kettle Campaign**.

Because of your generosity over the holiday season, we can continue to meet basic essential human needs and provide compassionate, practical support to men, women and children in our local community, helping those in need, 365 days a year.

This year's **Christmas Kettle Campaign** was another great success - this is only possible because of people like you. Thank you for Giving Hope Today ... and every day.

Wishing you and your loved ones a Happy and Healthy New Year.

Sincerely,

Angela Stadnyk
Volunteer Coordinator/Kettle Coordinator
Kelowna Ministries

GUEST SPEAKER

There was no guest speaker this evening, so an open discussion was held about possible changes and initiatives in the coming year. The items discussed were:

1. Possibility of a different meeting time including afternoon meetings. Carola will be developing a survey to see what the members desire.
2. Honouring Adolf with either a bench and plaque or perhaps a picnic table. A favoured location was Rotary Beach.
3. Monet Meets Merlot has been tentatively set for Sunday, May 17th at Richard's. This will be a spousal and friends' event and about thirty attendees are anticipated.
4. President Jack introduced the idea of working on a Peace Park in Kelowna. A number of such parks have been created around the world.
