ZOOM meeting on February 24<sup>h</sup> was a hybrid meeting. While only 8 members attended the roast pork at Yanni's was delicious.

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

## The Rotary Zone 28 & 32 Virtual Gala & Fundraiser –

The event was well attended and, in the end, the Gala raised over \$250,000 US for the Foundation!

## Foundation Moment –

### What is Our Grant Model Designed to Do?

Simplify Foundation programs and processes consistent with the mission

- Focus Rotarian service efforts where they will have the greatest impact by addressing priority world needs that are relevant to Rotarians
- Offer program options to help achieve both global and local goals
- Increase the sense of ownership at the district and club levels by transferring more decisions to the districts; and
- Gain greater understanding of The Rotary Foundation's work and enhance Rotary's public image

**The Rotary Foundation is continuing to make a difference in our world!**

**Joint Meeting with RC Okanagan-Mission** - The meeting went very well with the room being packed with Rotarians, spouses and guests. From the agenda that President Carola sent me they only meet bi-weekly but are well-organized with presentations on club business and guest speakers.

Jack reported that H4O has been working with a university group to build a model for working with Rotary clubs. In addition, the CRA has been approached and it appears that it is okay for H4O to provide money directly to Rotary clubs without foundations however the clubs need to ensure that the money is used correctly.

When is Spring coming so that the soils can warm and the planting begin?
