understands women.....

William Golding
British Novelist, Playwright & Poet
1911 --1993

I think women are foolish to pretend they are equal to men. They are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she will give you a baby. If you give her a house, she will give you a home. If you give her groceries, she will give you a meal. True humility is
not thinking less

thinking of
yourself less.
