LAST WEEK'S MEETING

Work continues on getting a camera setup for the meeting space.

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

On the surface:
Cool as a cucumber

On the inside:
Squirrel in traffic

**May you live
to be so old
that your
driving
terrifies
people.**

**WHAT DOES IT MEAN IF
THE HOLY WATER SIZZLES
WHEN IT HITS YOUR SKIN?

ASKING FOR A FRIEND.**

Sheriff John had been looking at TV over the last couple of years and some of the comments he'd seen from various writers. Consider these:

"Watching cable news because you want to be informed is like going to Olive Garden because you want to live in Italy." – Andy Borowitz

"One of the few good things about modern times: If you die horribly on television, you will not have died in vain. You will have entertained us." – Kurt Vonnegut

A few more thoughts and he placed the offering tray on the table for the members to fill.

ROTARY THEME – 2023-2024

Karis Pollinator's Garden – this item is still in the discussion stage as Spring is only just beginning. One potential style of raised flower bed being considered involves the use of a galvanized form such as in the picture below.

Bottle Sales – the next bottle sale will occur March 31st – April 2nd outside the Independent Store in the Capris Centre. Glenna has worked out a roster of volunteers for the sales table.

Pollinator Garden – several Rotary clubs have donated towards the pollinator garden but the city's Partners in Parks is still refining the limits on the park as well as possible location. On the plus side the UBCO group have come up with some plant suggestions which attract bees and are drought tolerant.
