### ROTARY PROJECTS IN A BOTTLE NEWS

Rotary Lights in a Bottle, March 13<sup>th</sup>, 2019

Another successful campaign with the sale of our bottles. Thank you to Elaine, Brenda Brian S, Len, and John. Our valet service worked well but needs to be tweaked. I am planning on getting some quotes for a sign for the Rotary lights in a bottle. While it will be an expenditure it will be worth it in the big picture. As soon as I can get some quotes I will have John post them for me we can get an consensus as to price. Our next time at KGH will be April 17 (Wednesday). Thank you all for your support.

Sincerely,  
Glenna

### MEETING OF March 6, 2019

ATTENDANCE – 67%

*Editor's comment – I need to get a head shot of Glenna but until then I stole this picture from her Facebook account*

Sheriff Glenna got us good this week. Using her travel experience and knowledge as a travel agent she asked us what certain locations were? Locations like Kamakura, Nias, The Burj Khalifa, Borobudur and Krakatoa. I knew what the last one was but I ended up having to use Google to find out what the rest were. Good work, Glenna!

**Adventures in Tourism** – on April 18<sup>th</sup> we will be holding a joint meeting with the Ogopogo Rotary Club. At this event four student groups will be presenting the results of their tourism projects. A flyer will be inserted in the near future with more information on this upcoming event.

**Bowling Fundraiser** – Carola has organized another evening of 5-pin bowling at the Capri Lanes on Saturday, June 1<sup>st</sup>. We will start with dinner first so that we don't have to change our shoes twice (regular shoes and bowling shoes). After dinner we will bowl a regular game, take a thirty-minute break and then bowl a fun game. Jack and Rusty are organizing the prizes and any profits will be split between the Kelowna Women's Shelter and JoeAnna's House.

*Photo from the Braintrust Canada website*

Our guest speaker this evening was Magda Kapp, Director of Prevention Services and Community Engagement for the Okanagan-based, not-for-profit association BrainTrust Canada. BrainTrust offers programs and services focused on prevention, education, and support. The primary goal of the support programs and services is to improve the lives of those who have been affected by brain injury. Magda's primary role in this effort is to reduce preventable brain injuries to youth, through awareness and innovative programs, who are the highest risk for injuries.

The presentation was short but extremely interesting.
