THERE'S SIGNS**

Sheriff John had returned to his duties as Sheriff and had a quick look at aging and memory. It was a short subject as he couldn't remember all he was going to say but still accepted graciously everyone's fine.

ROTARY THEME – 2023-2024

Karis Pollinator's Garden – still finalizing the container and current plans have an installation in late May or early June.

Pollinator Garden – Parks has suggested two sites for work this year. Sarsons Beach Park Pollinator Garden area and Cameron Park at 2345 Richter Street.

We plan to meet at Sarsons Beach for our Friday, May 11th meeting. Work on the garden will be from 5 to 7 pm then it's off for a group eating frenzy.

Cameron Park is also being readied for planting shortly and we are in discussions with Balmoral Estates and a couple of schools.

Jack is going to send out a message to our non-club volunteers detailing date and times for work opportunity.

Habitat for Humanity Okanagan is in need of volunteers like you to help out at our upcoming bottle drive on May 27th, 2023.
