ROTARY THEME – 2023-2024

Karis Pollinator's Garden – nothing new to report.

Pollinator Garden – both sites are completed. Most of the work was done during the day under Lockie's able leadership. By May 15th the Cameron site was finished and in a short two-hour session the last of the bark mulch cover was applied to the Sarson's Beach site. We are now looking for other sites to work on.
