## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

In 20 years when kids ask about the  
2020 toilet paper shortage,

I'm telling them we had to drag our  
butt's across the lawn.

In the snow.

Uphill. Both ways.

I try to be a nice person  
but sometimes my mouth  
doesn't cooperate.

**Update on Former Members and Spouses** – This update was sent to me by Glenna. Thanks Glenna!

*I called Dorothy to see how she was doing. She is doing great. Does outdoor exercises to music at Missionwood. Plays bridge with a friend of course using social her as well but they stay daily in touch by phone. Jim is managing as best as he can. Does not walk anymore but scoots round on the seat of his walker. Both are praying the day Dorothy can come back and visit.*

*I also contacted Theresa find out she is just getting over pneumonia. She just finished her last course of antibiotics but finds she gets tired easily. Her kids remind her she is not as young as she used to be. WE had a nice chat; she is such a positive person. Brought her up to speed on what Art and I have been doing and how the club is managing with Zoom meetings. She was impressed that we could still meet on a regular basis. I said well that's technology for you.*

*I have been contacting these two every two or three weeks. This was the longest I had gone and not know about Theresa was a bit of a shocker, but she sounds good she just needs to rest up. Dorothy never changes. Always upbeat loves to have a conversation literally with anyone and is always interested in what you are doing.*

**East Kelowna Hall Project**– Bob reported that he sent an email to his contact but hasn't received a reply. Perhaps COVID-19 has stuck its busy little fingers in here as well.

**Peace Park** – Planning is still ongoing with the goal of obtaining support from the city as well as a grant.

**Christmas in a Bottle** – still looking for a volunteer to assist and eventually replace Glenna on this project.

**Installation Night** – still in the twilight zone. Ron said that it won't be occurring at the golf course we might have to hold the Installation by ZOOM with the dinner later at the Coast Capri.

**DISTRICT VIDEO SITE** - The District has a Vimeo Pro subscription with many videos for training and inspiration.
