SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John was back with some thoughts on marriage. Some examples are:

"I just read that 4,153,237 people got married last year. Not to cause any trouble, but shouldn't that be an even number?"

My wife and I often exchange opinions. I come with my own and leave with hers.

Why do men want their brides to wear white? Because they want the dishwasher to match the fridge and stove.

Still alive at the end, he then passed the silver tray to have it filled up with Canadian bills.

ROTARY THEME – 2023-2024

Karis Pollinator's Garden – Lockie has been talking to Debra and planning when to start.

Pollinator Garden – both sites are completed except for signage which is being looked at by Parks. One plant is getting eaten by something and will have to be changed. Efforts are now being made to find additional sites.

Lockie has also been putting together 4 plant pollinator gardens for anyone who would like to have one in at their home. Cost is \$40. Check Zen Nursery's website to pick the plants you want then order them through Lockie.

Clubrunner Website – the Board has renewed our website for three years.
