SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff – Sheriff John spoke on his long and inebriated history with Ukrainians and then did a quick review of Ukraine's early history.

Jack showed me a new brochure recently and promised to send a scan of it to me. It looked interesting and well worth putting it in here, piece by piece.

It's finally become more Spring-like here in Kelowna. The garden beds have been prepped but not planted yet.

Because of generous donors like you, Rotary raised more than \$15 million and together have funded more than 90 disaster response grants so far to help the people of Ukraine. Your contributions to our Disaster Response Fund between 3 March and 30 April will continue to make possible the member-led projects that help Ukrainian refugees and support relief efforts within the country.

Your gift at work

Every day, we approve grants that meet immediate needs for food, clean water, and clothes. Every day, we approve grants that keep electricity flowing to hospitals, help wounded civilians seek care, and organize shelter for displaced families.

Find out more about what you helped accomplish:

- [European Rotaract clubs organize to help Ukrainian refugees](#)
- [Rotary clubs unite across continents to collect and deliver medical aid to Ukraine](#)
- [Rotary's network enables rapid humanitarian relief for Ukrainian refugees](#)

Thank you for donating to our Foundation's Disaster Response Fund. Your generosity is making a difference for people in and around Ukraine who urgently need our help.

Sincerely,
The Rotary Foundation
