## RAMBLING

### Very Different Tourist Sites in America

Barney Smith's Toilet Seat Art Museum, San Antonio, Texas

Leila's Hair Museum in Independence, Missouri, has over 600 different wreaths and more than 2,000 pieces of jewelry made from human hair

The Mystery Spot in Santa Cruz, California, which sits on a slope to make you feel like you're leaning forward

The world's only Corn Palace, this attraction in Mitchell, South Dakota, is decorated with different colors of corn based on a theme.

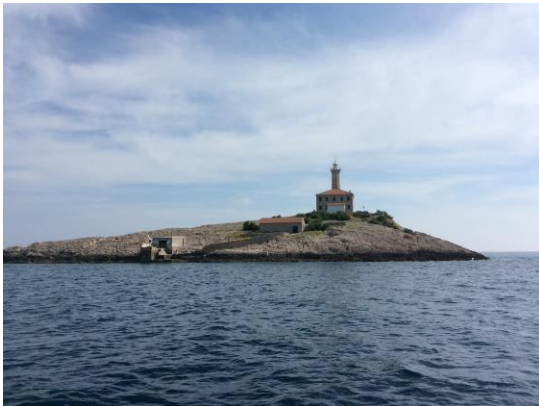

Ben and Jerry's have had a lot of ice cream Flavors throughout the years, and to pay tribute to those that just didn't make the cut, the ice cream company created the Flavor Graveyard at their factory in Waterbury, Vermont

And if that isn't enough here is some more rambling...

*Johann and family sailing on the Adriatic Sea*

*Off the coast of Croatia*

Even more...

*Leo and Barb went camping at Hays Point Provincial Park, near Osoyoos. Does it rain there? Ask Leo.*

*Every good rain deserves a rainbow.*

*These beehives are from Arlos Honey are located on our Vineyard and have already had a visit from a black bear!*

## MEETING OF MAY 17, 2018

**VISITING ROTARIANS** – none

**GUESTS** – Irene

**ATTENDANCE** – 64%

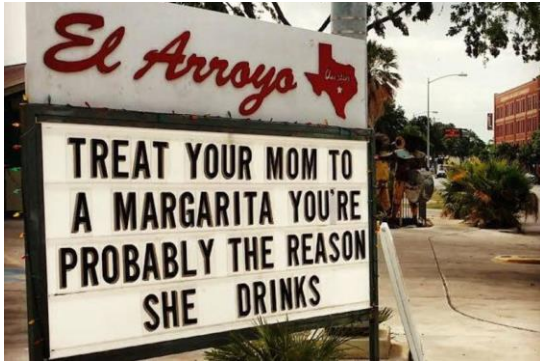

Sheriff Carola walked up to the podium with a spring in her step and proceeded to grill us on what we knew about Spring itself. When did it arrive, was it an equinox or a solstice, where does the sun rise and set on the first day of Spring, how many hours of daylight and night occur on that day, and a host of other questions. As usual she was successful in filling the saucer on the table and we all left with a spring in our step as our pockets were lighter.

## ROTARY THEME FOR 2018-2019

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Nothing new to report

**Installation** – the Installation Event is now scheduled for Thursday, June 21<sup>st</sup> at Sunset Ranch. Like last year, Club members are free but guests will cost \$40 per person.

**Foundation** – Lockie report that we have raised \$4,000 of the \$6,000 committed by our club this year. There are just two months left so for those who have been procrastinating or those who have been hesitating to donate, it's time to get it done

**Trail App** – after a presentation by Art Gillan the majority of members voted to proceed with this fund-raising project.

## Friends of Rotary 'Christmas in a Bottle' Fundraiser –

Each "Christmas in a Bottle" sells for \$20 and includes: a string of lights and switch in a wine bottle, an AA battery, a Christmas decoration that can be taken off when it's not Christmas, a wine gift bag, and a pamphlet explaining the Rotary Club of Kelowna Capri sponsorship of the annual Cottonwoods Christmas Party.

We have a new version of the Christmas lights in a bottle. The Vibrant Vine Winery kindly donated their empties with their unique designs on the bottles. They really look great – colourful and glowing - at night. Something to add to already what we have and they are so different.

Future sales activities are planned for:

May 30 - KGH

August 24-26 - Rib Fest.

## HUMOUR

*Caffeine addicton*

## GUEST SPEAKER

# RESTOR

*Brian Elliott*

This evening's guest speaker was Brian Elliott who gave a short presentation on Restor's previous medical missions to Bahir Dar, Ethiopia and the upcoming mission in November 2018. This mission is to put a final wrap on stuff left from the previous missions before they move on to another country.

Brian explained how Rotarians can help with these future missions. First off there is always a need for volunteers to support the medical staff. Secondly, there is always a need for donations. Missions cost 80 to 120 thousand dollars each but Restor is recognized by the CRA and so all those who donate will receive a tax credit.

Want more information? Want to volunteer to go? Want to donate to their cause? Visit their website at
