## Peace Club

Beacon of Hope – Jack reported that the project is moving along with everyone focused on getting it done

Local Schools – Lockie reported that he is working with several schools and principals

Peace Conference – an online conference will occur on May 12<sup>th</sup> at 4 pm. The topic is “Is Peace Just a Pipe Dream”

**Jim Moynes** – the following is from Ed

I talked to Dorothy Moynes this morning. Jim is still in Cottonwoods and will probably stay there. She sees him once a week on Facebook and they each look forward to that. She is doing quite well but is now using a walker. She says that she is the best place she could be at this stage of life.

Jim is still receptive to telephone calls even though the conversation may be spotty at times. You can pass this on to the members as he often thinks of the Club.

**Foundation Moment** – I hope this message finds you well and moving forward with all things Rotary. I am notifying of an opportunity to participate in a Question-and-Answer session about the changes to grant funding that become effective July 1, 2021. The zoom meeting will be **June 7** beginning at **5:30 PM**. This is an important session if your club is planning to participate in a global grant in Rotary year 2021/22.

## THE FUTURE IS MEATY

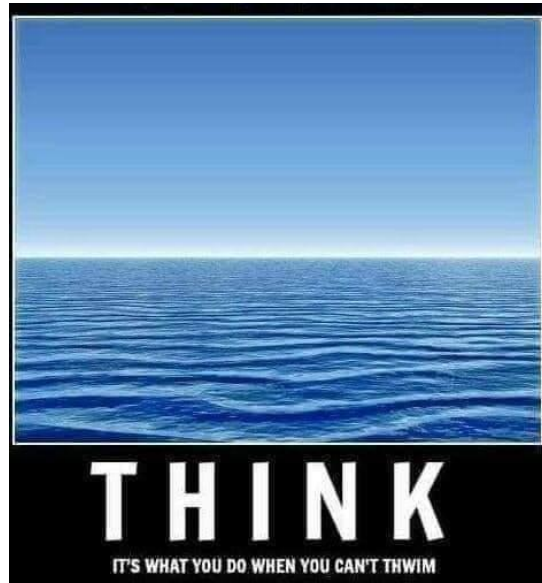

Thanks to Jack for this juicy article. To see the complete article, follow the blue link.

### Lab-Grown Meat Is Now Available for Delivery for the First Time Ever

[Today, cell-based \(also](#) known as “lab-grown” and “cultured”) meat became available for home delivery for the first time in history thanks to a partnership between California-based startup Eat Just and delivery platform Foodpanda.

## HUMOUR

I think it's time to repot the cat.

## GUEST SPEAKER

*Kathy Sawchuk*

This evening's guest speaker was Kathy Sawchuk, the President of the East Kelowna Hall Association.

She discussed the history of the EKH and how it has served as a social centre for Southeast Kelowna, especially the kitchen. She explained how our project, with the Kelowna (Downtown) Rotary Club, to renovate the kitchen has helped them financially as they can rent the kitchen out to other parties. The video she showed of the renewed kitchen showed how successful everyone's work has been.

Finally, she described their efforts to maintain the EKH's role as a social hub and the search for additional grants such as a Heritage Grant from the city, a Gaming Grant from the Province, and other grants.

It was a nice presentation and can be viewed on the Zoom video of the April 29<sup>th</sup> meeting.
