LAST WEEK'S MEETING

https://us02web.zoom.us/rec/share/SsiKrluJmLReA5x49ZO27xekhEI3QTN34DpqxQbV7w_sNhdAbRwM53xZ1a_k3Udi.ssdZjWzHILL32ngn

Passcode: Mw+3DPnU

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John Mullock went for the easy kill this evening. He basically told the members he wanted their five dollars then read them a collection of facts. The group offered little resistance as the fines tray was passed around.

Rotary Foundation –

HOW DOES THE ROTARY FOUNDATION RECOGNIZE ROTARY CLUBS?

Donations to the Foundation are essential to securing and expanding our programs throughout the world. We recognize with gratitude clubs that make extraordinary contributions.

- **100% Paul Harris Fellow Club:**
These are clubs in which all dues-paying members are Paul Harris Fellows. The club receives a banner. This is a one-time recognition, but the intent is that the club will maintain its status.
- **100% Foundation Giving Club:**
This banner is given to clubs that have an average of US\$100 in per capita giving and in every dues-paying member donates at least \$25 during the year to the Annual Fund, PolioPlus, the Endowment, or approved global grants.
- **Every Rotarian, Every Year Club:**
This banner is awarded to clubs that have a minimum Annual Fund contribution of \$100 per capita during the year and in which every dues-paying member personally contributes at least \$25 to the Annual Fund in that time period.

Christmas Party – the RC Kelowna Capri Christmas Party is scheduled for December 22nd at the Kelowna Curling Club. We will be ordering off the menu and purchasing drinks from their bar.

THIS WEEK'S REGULAR MEETING

This week's meeting is at a new location this week.

Thursday November 17th, 2022

We meet at 5:30 PM at the Welton Arms Craft Beer and Restaurant

Address: 890 Clement Ave #304, Kelowna, BC V1Y 7E2

Environmental Service Project –

Lockie Bracken has been looking into doing some work in a new park and has begun to develop a plan. In the ideal situation we are hoping that some of the local club will join in with us and they will be approached about this chance. Otherwise, it's cold with snow on the ground and all the local pollinators have gone away.
