## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

**Best quote I've heard  
in a while ,  
"You can't leave those  
who created the  
problem, In charge of  
the solution!"**

## Foundation - What does The Rotary Foundation do with Its Money?

The Rotary Foundation spends charitable contributions on multiple programs: from the eradication of polio, to scholarships, vocational training teams, Rotary Peace Centers and humanitarian projects. The funds support programs that Rotarians are passionate about and are sustainable. With a four-star rating by Charity Navigator for thirteen years in a row and 1.2 million Rotarians over-seeing the funds at a grassroots level, our funds are doing transformative work here and abroad.

You can read personal stories and review the details of our Foundation's financials in our most recent Annual Report on [rotary.org](https://www.rotary.org).

Art has always demonstrated to our club his love and support of the Foundation and should have received this recognition years ago.

## THIS WEEK'S REGULAR MEETING

Thursday, November 18, 2021 at 7 pm.  
Meeting will be in person at Yanni's Grill  
and by Zoom.

## HUMOUR

**I made a huge  
to do list for  
today.  
I just can't  
figure out who's  
going to do it.**

**I need to re-home a dog.  
It's a small terrier, and  
tends to bark a lot.  
If you're interested, let  
me know and I'll jump  
over my neighbor's  
fence and get it for you.**

## GUEST SPEAKER

*Jace Anderson*

This week's guest speaker was Jace Anderson who is the Director of Tourism for Medicine Hat, Alberta. For those who are curious, Ron, a long-time club member and our Past President grew up there and decided we need to learn more about a place that he has fond memories of.

Jace, a member of the Medicine Hat Sunrise Rotary Club, has lived there a long time also and elaborated to us some of its finer points which you can see on the Zoom recording. It was an interesting talk and left me deciding to spend some time there the next time I'm in the area.

Here are a couple of historic sites in Medicine Hat:
