Meeting will be in person at Yanni's Grill and by Zoom.

"I'm starting to really like the smell of cocaine"

GUEST SPEAKER

Robin Durrant

Robin Durrant is the Co-Chairman of CapriCMW Insurance and a member of the Kelowna Sunrise Rotary Club.

Robin spoke to us on insurance and how the price of it continues to rise. Consider home insurance and natural disasters. The number of natural disasters has become more frequent, and we have more expensive stuff in their way. Some changes can be made such as in the case of Autoplan where premiums were reduced by creating a schedule of benefits which has limited the impact of lawyers.

It was an interesting talk, especially his suggestions on things not to do when purchasing insurance and is well worth watching on our Zoom recording mentioned earlier.
