## RAMBLING

Situated on the UBC Endowment Lands overlooking the Strait of Georgia, Cecil Green Park House offers a uniquely Vancouver setting for your wedding or special event. This the place my niece chose to get married last Sunday.

## MEETING OF NOVEMBER 21, 2019

**VISITING ROTARIANS** – none

**GUESTS** – none

**ATTENDANCE** – 100%

Sheriff Lockie was thinking of landfills this week and so chose some questions on this topic to challenge us. Questions such as "What percentage of BC residents oppose single-use plastic bags? (81%); how much material goes into landfills in Canada each year? (*near 31 million metric tonnes*); how many landfills are there in Canada? (10,000); what percentage of the waste is recycled in Canada? (30%) and what country has the highest recycling rate? (Sweden - *Of the household **waste** produced in **Sweden** in 2017, around 15.5 percent was used for biological **recycling**, 33.8 percent for material **recycling** and 50.2 percent went to energy recovery*). Lockie did Sweden one better, he recycled 100% of our fines into club revenue.

**Cottonwoods Christmas Party** – All is in readiness for our main event this month. All hosts are asked to be at the Capri Hotel by 4:45 pm. When the guests arrive, you will be called to come up and pick up your guest. After that. let the festivities begin.

**Jim Moynes** – Jim is in KGH with an appendicitis attack and subsequent removal of it. He is recovering but when I visited him today, he was still groggy and wasn't sure who I was or even what Rotary club he had belonged too.

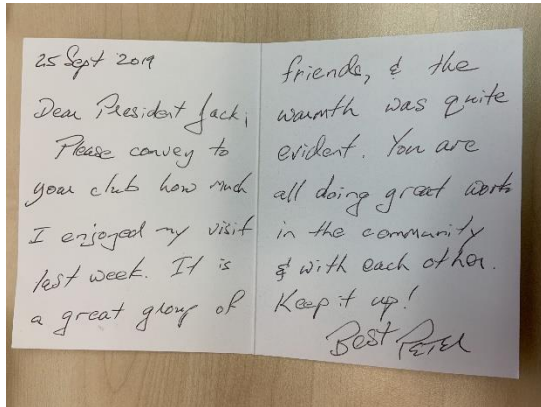

On November 23<sup>rd</sup> our club staffed Salvation Army Kettles at both Walmart doors for the entire day.

**Kelowna Woman's Shelter** – Carola sent me the following note "Lockie has taken 37 big bags of leaves from the Women Shelter to the dump. Thank you to Lockie for taking this on."
