Foundation - Memorial and Tribute Gifts

If you wish to honor or memorialize someone with a contribution to The Rotary Foundation, the best way is to use rotary.org/donate and choose "I would like to make this donation in honor or in memory of someone."

The donor making the contribution will receive gift credit and a tax receipt (where applicable). The person they wish to honor, or the person's family in the case of a memorial, will be notified of the gift.

Note: For tax and legal reasons, be sure to list your own name as the donor when sending funds to the Foundation, and not the name of the person you wish to honor. Consider giving Foundation Recognition Points to someone as an alternative if you wish to honor them with recognition.

The process is simple, and honorees and family members can be notified by email or by a print-at-home notification.

Interested in making a gift to The Rotary Foundation as a memorial or tribute to honor a loved one? Give today at www.rotary.org/donate. Memorial and Tribute Gifts

Also

November is Rotary Foundation Month

On the back cover of October's Rotary Canada magazine they list how to donate to The Rotary Foundation (Canada).

If you would like to donate to The Rotary Foundation, there are four easy ways to do it. I have attached the form for donating via cheque.

You may make a onetime donation or set up on-going giving. You may designate the area you would like to allocate your donation to.

You will receive a tax receipt for your contribution

If you have any questions, please let me know.

Thank you.

HUMOUR

I had this delicious omlette this morning. I seasoned the eggs with sugar, oil, and chocolate, and threw in a little flour for texture...

GUEST SPEAKER

The Guest Speaker at our inaugural Hybrid meeting was the District Governor Richard DeRock.

He started his evening by presenting Ron Becker with a Presidential Citation for our club reaching a number of goals in his year as President.

It was well-deserved and nothing says President for Life like a Rotary Citation.

Then the District Governor spoke on the future of Rotary. Rotary membership has begun to rise again in the United States but is continuing to diminish in Canada. As Richard explained it, our youth are busy and while Rotary's brand is well-received, they really don't know what we do.

He went on with several suggestions as to how we need to change but they are best explained by him, so I leave it to you to watch the recording of the meeting.
