- Dec 29   Year End Break
- Jan 5    Still Broken?

## LAST WEEK'S MEETING

No recording of meeting.

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John decided to explore the history of Black Friday and some reasons you need to be careful in your buying. The shuffle of \$5 bills into the silver tray spoke volumes about the member support.

Rotary Foundation –

### SUPPORT THE ROTARY FOUNDATION ON GIVING TUESDAY!

*I received this a little late for Giving Tuesday but in Rotary there is no such thing as too late if you stay in the same Rotary year.*

We need your help to raise funds and spread awareness for The Rotary Foundation this GIVING TUESDAY, November 29, 2022. This Global Day of Generosity is an opportunity for all members of Rotary to make a big impact with a gift of any size to our Annual Fund - Share. Last year, we raised more than ever before, over \$ 1 Million USD! We are asking you to help us surpass that this year so that we can do even more good together.

### Environmental Service Project –

Work continues on the Pollinator Highway Project. We did receive a couple of disappointments from City Parks, no gazebo will be allowed, nor can we put in covered benches. Added to this is that we may have to place our garden in another city park as The DeHart Part has a lot of community gardens for vegetable growers. Still, we just flex the plan and move on.

We did have Jenna Shea and Lara Harder from the UBCO Pollinators group come to visit with us and tell us how they are proceeding. They have been talking to other organizations who are willing to make funds available. It is still very much in the planning stages including inviting other local Rotary Clubs join in with us but if you don't dream you can't achieve.

**Christmas Party** – the RC Kelowna Capri Christmas Party is scheduled for December 22<sup>nd</sup> at the Kelowna Curling Club. We will be ordering off the menu and purchasing drinks from their bar.
