SIGNS SIGNS EVERYWHERE THERE'S SIGNS

You know that thing inside
your head that keeps
you from saying stuff you
probably shouldn't?

Yeah, mine's broken.

Peace Club – the Nakusp Rotary Club is part of a group of clubs helping set up a Peace Park along the India-Pakistan border like the Canada-US Peace park at Waterton, AB.

Meanwhile locally, a meeting was held of the Peace Centre in a Park committee on Friday, Oct 11th. It rained that day and we huddled under a tree. It was decided this meeting was the last outdoor meeting until Spring 2021.

Remembrance Day – still be planned for Rutland and City Park Cenotaphs but nothing solid yet.

Rotary Foundation Moment – POLIO PLUS IS A SIGNATURE PROGRAM OF THE ROTARY FOUNDATION

PolioPlus is Rotary's priority program which supports global efforts to eradicate polio. It was launched in 1985, with the help of Dr. Albert Sabin, developer of the oral polio vaccine, as a worldwide program to protect children from the cruel and fatal consequences of polio. In 1988, the World Health Assembly challenged the world to eradicate polio, and since that time, Rotary's efforts, along with partner agencies, including the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and governments around the world have achieved a 99 percent reduction in the number of polio cases worldwide. As of 2018-19, The Rotary Foundation has raised over US\$1.6 billion for polio eradication. By the time the world is certified polio-free, our contributions will make Rotary the largest nongovernmental financial contributor to the global polio eradication effort. You can help end polio by making a gift to the PolioPlus Fund at endpolio.org.

Christmas Kettles – Rusty reported that we will be staffing the two doors into Walmart on Saturday, December 8th from 10 am until 6 pm. To do this we require a minimum of eight volunteers. While working we will have to wear masks and gloves.

Club Christmas Party – whether we will be able to hold one is very much up in the air. We will revisit this item at the end of October.

Rotary Lights in a Bottle -

On Sunday, Oct 11, 2020 Our club made \$80.00. But we demonstrated our club character. Carola was too ill to attend so Glenna stepped in replace her. Mike and Len completed the first shift. When our square reader would not connect with my phone, Lockie was prepared to bring his reader to the market. Fortunately, we were able to get the reader to connect in time to call Lockie back to cancel his run. Thanks to our crew on Sunday.

Cheers, Art

HUMOUR

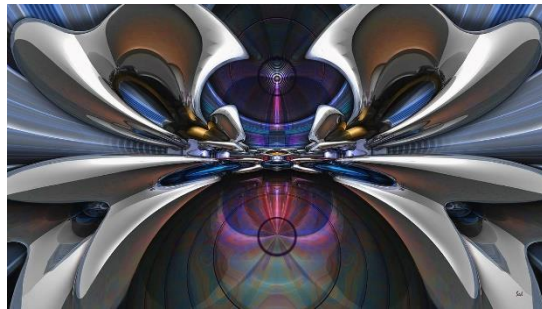

Coffee is vital for survival. Dinosaurs didn't have coffee, and look how that turned out.

GUEST SPEAKER

Our guest speaker this week was Olivia Masegnan who has worked at Cottonwoods Care Centre for forty-three years. She originally started in nursing but is now the activities coordinator for the facility. Olivia told us how much the Cottonwoods Christmas Party as meant to the people living there. She then set off a train of thought as to could we do anything this year to celebrate Christmas. It started off from 'not really' because of the Covid lockdown and soon became "maybe we could put something together on Zoom". In the end we struck a small committee to look into this idea.
