SIGNS SIGNS EVERYWHERE
THERE'S SIGNS

As Sheriff I finally have begun to perform in the expected manner of my fellow club members. In short, they bring money and I take it.

Carola's Bees -

Carola presented her bees to the Kelowna RC and was able to sell a few to its members. Thanks for supporting one of our projects!

District Convention in Penticton May 2 to 5, 2024 – several club members will be attending and have made plans to have a Friendship table in the House of Friendship.

Silver Lake Children's Camp – Assistant Governor James Kay has proposed that the Rotarians in the area financially support this facility.

Peace Club – Salmon Arm Daybreak Rotary Club has become a Rotary peace club and is interested in getting together with us. This was welcome news as the latest news about fighting in Israel and the longer running war in Ukraine has cast a shadow on the work of the peace builders. At such a time it becomes essential to remember that most of the world is at peace and that the last major war ended almost eighty years ago.

“Don't worry about the world ending today; it's already tomorrow in Australia.” – Charles M. Schultz

Central Okanagan Bursary Society – in a unanimous vote the club members agreed to provide funds for scholarships to two local students this year.

The Royal Canadian Legion Poppy Fund– has requested that we support the Legion Poppy Fund again this year. Rusty passed around a donation sheet. If preferred, you can also donate directly to the Legion by calling them at (250) 762-4117. All donors will receive a tax receipt as well as a certificate of appreciation.

Sunrise Rotary Club – has sent us information on their calendar this year as well as an invitation to the kick-off event on Oct 18th. Please see the included information embedded in this newsletter.
