The Sheriff finally finished his segment on You May Live in Canada. His last comments were:

If you carry jumper cables in your car and your wife knows how to use them, you may live in Canada.

If you design your kid's Halloween costume to fit over a snowsuit, you may live in Canada.

If the speed limit on the highway is 80 km -- you're going 95 and everybody is passing you, you may live in Canada.

If driving is better in the winter because the potholes are filled with snow, you may live in Canada.

If you know all 4 seasons: almost winter, winter, still winter, and road construction, you may live in Canada.

If you find -2 degrees 'a little chilly', you may live in Canada.

“Gratitude is the healthiest of all human emotions. The more you express gratitude for what you have, the more likely you will have even more to express gratitude for.” – Zig Ziglar

GUESTS

Several guests dropped by this evening for a visit. They included Matthew Cardoso from Rotary Now, Tobi Byrne (AG area 5), Norm LeCavalier (AG area 6) and Peter Schultz (PDG). Also in attendance was a Rotarian Melessa Ellison Nu but I am not sure of the name or her title.

Rotary Now meets the 1st and 3rd Wednesday each month. The hybrid meeting (in person and by ZOOM) occurs in the Landmark 5 building in the boardroom of a diamond company. No meal is provided. Their activities include a pollinator garden, working with Habitat for Humanity and Joanna's House and assisting Kelowna Rotary clubs if needed.
