## Foundation - Rotary Success with the PolioPlus Campaign

Because of Rotarian support, more than 2.5 billion children have received polio vaccines and have been protected against this crippling disease for life. There are currently only two countries that are endemic: Afghanistan and Pakistan. We must not stop our efforts until we give the children a Polio Free world!

**Will you help The Rotary Foundation make history by eradicating Polio from our planet? Give today at [endpolio.org](http://endpolio.org). Thank you for supporting Rotary and leveraging your generosity!**

We have a few more pictures from the harvest time at Chute Lake Elementary.

*More carrot excitement*

*Rusty helping the Gr.1 class washing their carrots*

*What a find*

*Teachers Joan and Jodie took home a few tasty ones*

*Grade One teacher reading the students a story on Carrot Capers. She used great facial and vocal expressions*

Meanwhile, this last weekend, a Peace Pole was planted at Munson Pond

*Locki, John Mullock, Chris and Bob pose by the Peace Pole they planted*

*Syilx language on Peace Pole*

My understanding is that this planting was symbolic as the pole needs some work done on it and probably a little straightening.

### **Tree Planting at Munson Pond –**

The tree planting was a great success with Rotarians showing up from multiple Rotary clubs. Added to this was a host of volunteers from other organizations that made light what could have been a difficult job.

a tree. Such an insignificant little stick will  
grow into a beautiful tree

## Monet Meets Merlot, Sunday October 24<sup>th</sup> –

Paint for Rotary October 24, 2021

This carousel of pictures from President Carola showed what a good time the members and guests had painting.

The following was sent to the members from President Carola...

*We had a very successful paint event yesterday at Gianni's Grill meeting room.*

*Thank you, all participants, to join us and make it a fun experience.*

*It felt great to have a social event once again.*

*I would like to give a big thank you to Ron, Chris and Bob for their generous donation.*

*We raised \$410.00 towards The Polio foundation.*

**Meeting Space –** A trial hybrid meeting is going to be held on Oct 28<sup>th</sup> at Yanni's where we will have a visit from the District Governor Richard DeRock, an induction of new members, a surprise Paul Harris presentation, and a classification talk from Chris. A social get together will occur at 5:30 pm, a fish and chips dinner at 6 pm and a meeting at 7 pm. Cost will be \$25 per person and members are asked to bring exact change. For those not wishing to attend in person a zoom connection will be available.

**Remembrance Day –** while it seems like an open ceremony is unlikely, Brian will make a wreath payment to the Poppy Fund.

### **Cottonwoods Christmas Party-**

Due to Covid uncertainty the Capri Rotary Cottonwoods' Christmas Party unfortunately will not be taking place this year.
