Rotary Lights in a Bottle -

*Brian and Mike, I think
Photo by Glenna?*

Report from Glenna - we have had two successful venues at East Kelowna Market.

Sept. 20th, we made \$190

Oct. 4th, we made \$480.00 on sales.
A story: We had a lady come by looking at our bottles and asked if I could help her. She said "yes I want all the bottles on the table and her care giver wanted 5 light kits. She then gave me three 100 Bills and said keep the change as a donation. It turns out she told us her late husband had left her a lot of money and she wanted to spread the wealth and cheer. She was so kind and so genuine.

Monday, I got an email from a lady that had been at the market on Sunday requesting an additional 8 light kits. his will add another \$80 to the Oct 4th sale.

THIS WEEK'S MEETING

A meeting URL will be sent out however, the web address should be added to your links.

Hate when Walmart doesn't have what I need & I have to go home, change out of my pajamas & brush my hair so I can go to Target

HUMOUR

Don't you hate it when you see a cat laying on top of your car?

GUEST SPEAKER

This week's guest was Ryan Smith, the Divisional Director of Planning and Development for Kelowna.

He spoke about the new city plan that they will be working on as the last plan came out in 2011, the effect of Covid on city budgets and the various other duties his division handles. I could wax on about what he said but you can just download the zoom meeting that I gave a link too earlier in this newsletter and get the entire message. Ain't Zoom wonderful?
