Oct 20	Preparation for Caribbean Dinner Buffet
Oct 22	Caribbean Dinner Buffett

WEEK'S ZOOM MEETING

Due to a technical malfunction, there was no recording of the Sept 8 meeting. Our technical specialist offered a mea culpa and then sipped some more Coca Cola.

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John Mullock performed perhaps the best Sherriff job in years and received a round of applause. Unfortunately, it was lost in the recording malfunction and is not available to stun the viewers who did not attend.

Rotary Foundation –

WHAT IS SHARE?

The SHARE system is how The Rotary Foundation distributes funds to districts.

When you contribute to Annual Fund-SHARE, the first 5% is deducted for operational costs. The remainder of the contribution is divided between the World Fund and District Designated Funds (DDF). The Trustees of the Rotary Foundation allocate money from the World Fund, and your district allocates DDF to the programs that people in your area want to support.

The name defines what the system does because contributions are shared throughout the world.

You can help our district and support meaningful projects by giving to the Annual Fund-SHARE!

The district is pleased to announce that the 2-day RLI program will be offered in **Vernon over the weekend October 1+2**. It will be held at the Schubert Centre (3505 30th Avenue, Vernon). This is a great program, enthusiastically endorsed by all who have taken it before - ASK AROUND, you will hear that!

Program is **limited to 25 participants**, sessions are all fun and interactive and you will discuss everything from membership, to leadership, to the Rotary Foundation, to public image... and more! Runs full weekend, all inclusive - see agenda attached (no partial attendance please).

Registration NOW OPEN at: [REGISTER FOR RLI VERNON](#)

You can always find the registration under "Upcoming Events" on the upper right of our District ClubRunner website. Cost is \$100 per participant, which is subsidized by the district as it costs us more than that to put the program on. Normally clubs will support 2-4 of their members each year for this, so ask your club board if interested.

Out of town? If you want a hotel recommendation or home-hosting with local Rotarians in Vernon please ask RLI-North Chair Jim
Hawkins: jim.hawkins.5060@gmail.com

Gillan's Big Social – On September 11th an evening of pleasant company and fine dining was provided by Art and Glenna on the roof deck of their condo tower. A couple of pictures have been provided to show the festivities.

Wonderful Thank You Note From

Olivia Masegnan – This is to thank-you so much for the wonderful time I had with all of you on September 1st. I was so honored with your Paul Harris Fellow award. I know that you Ron were responsible for this and I can't tell you how much I appreciate this honor. It truly has been a privilege to be associated with you all these many years Thank-you, thank-you and please let everyone know what a wonderful time I had Love to you all and most especially to you Ron.....Olivia

Bottle Sale - at the Independ Store in the Capri mall September 17 and 18th. Theme will be Peace Day which is on September 21st.

Caribbean Night - a fundraiser for Rotarians, spouses, and friends. A flier for this event has been sent out to members and will be inserted in this newsletter.

Guess Who is Coming for Dinner – plans are underway to set a Guess Who night with the Mission Club. Art Gillan is providing the leadership to get this organized.

THIS WEEK'S REGULAR MEETING

The club meeting begins Thursday,
September 15th at 7:00 pm on ZOOM. The
link to the meeting is

<https://us02web.zoom.us/j/83797968919?pwd=VktMK0ozS2tdXNqSzYxREo3cG11UT09>

HUMOUR

FUN FACT: a majority of archeologists
are women due to their natural ability
to dig up the past

I told you
that I do
not have
Alzheimer's.
I have
"Some-timers"
sometimes I
Remember and
Sometimes I don't !!

Walmart had to remove
50,000 milk cartons from
their store.

The labels have to be
changed from "Open here"
to "Open at home"

The Grinnin' Bear

GUEST SPEAKER

John Mullock

John spoke about lightning – how a cloud electrifies, physical facts about lightning and the various types of lightning. It was an interesting presentation and well-received all in attendance.
