Foundation Moment

What is a Major Donor and Arch Klumph Society Member?

Major Donor – The Rotary Foundation recognizes individuals or couples whose combined giving reaches US\$10,000, regardless of the gift designation. This recognition level can be achieved only through personal contributions. Major Donors may elect to receive a crystal recognition piece and pin(s) commemorating the gift at each new recognition level. Since Rotary’s Major Donor recognition began there have been over 30,000 Major Donors.

Arch Klumph Society – Donors whose cumulative gifts total US\$250,000 or more are recognized as Arch Klumph Society members. Recognition includes an induction ceremony and your picture and biography in the Arch Klumph Society interactive gallery at the Rotary International headquarters in Evanston, Illinois, USA. Members also receive invitations to society events, along with membership pins and crystals that commemorate their giving level. Since the society’s creation in 2004, there have been over 700 Arch Klumph Society members.

Are you interested in becoming a Major Donor or AKS member?

A new presentation is being worked on to show to other Rotary clubs this Fall. Meanwhile, Lockie has returned from Saskatchewan and is actively promoting the placement of Peace Poles in two community gardens.

Our Rotary colleague Norm Letnick has been asked to lead the 2021 Kelowna run and he needs our help.

He has started this year's virtual run with \$100 donation and will raise his contribution up to \$1000 to match our highest donation. Together we can assist to fulfill Terry's mission and service to many in our community.
