**Missing Newsletter** – I'm going to be in Calgary for a few days next week and will not be able to produce a newsletter covering the September 3<sup>rd</sup> meeting. I also will miss the club zoom meeting next week but can view the recording done by Peter.

### **East Kelowna Hall Project–**

The new flooring has been installed and the new appliances are being priced by local businesses. There appears to be a small amount of funds left that may be used to floor a meeting room depending on the cost.

**Peace Park** – A meeting of the Peace Committee was held with the City Parks Manager on Friday, August 28<sup>th</sup> at Knowles Park. A couple of local artists also attended, and possibilities were explored. It was an interesting discussion and the next meeting will occur on Sept 11<sup>th</sup>.

**District Video Site** - The District has a Vimeo Pro subscription with many videos for training and inspiration.

## GUEST SPEAKER

These evening's speaker was Melody Bailey who is a member of Kelowna Toastmasters. Melody presented a short discussion of what Toastmasters does such as helping people learn to public speak with confidence and how to be a leader in your club. A lot of the training material is available on their website, but it is the actual practice applying it that occurs at the meetings. She encouraged anyone who is interested to visit one of the clubs in the area but cautioned that you should visit several as each club has a different flavor and personality along with variable meeting lengths.
