There was no Sheriff at the ZOOM meeting as the members could not reach the platter of fines.

Rotary Foundation –

HOW DOES THE ROTARY FOUNDATION USE DONATIONS?

The Rotary Foundation transforms charitable contributions into programs that fight polio and build peace, into humanitarian projects that change lives, and into scholarships and vocational training. The funds are also used for local projects that Rotary members feel passionate about.

As a global organization that operates in nearly every country, Rotary takes stewardship of its funds seriously and we've received a four-star rating from Charity Navigator for 14 years in a row.

The Rotary Foundation Cadre of Technical Advisers helps ensure that grant funds are spent properly. In addition, trained members oversee the use of funds at the club and district level.

Find financial details and stories about how donations are used in the most recent [Annual Report](#).

The district is pleased to announce that the 2-day RLI program will be offered in **Vernon over the weekend October 1+2**. It will be held at the Schubert Centre (3505 30th Avenue, Vernon). This is a great program, enthusiastically endorsed by all who have taken it before - ASK AROUND, you will hear that!

Program is **limited to 25 participants**, sessions are all fun and interactive and you will discuss everything from membership, to leadership, to the Rotary Foundation, to public image... and more! Runs full weekend, all inclusive - see agenda attached (no partial attendance please).

Registration is open at: [REGISTER FOR RLI VERNON](#)

You can also find the registration under "Upcoming Events" on the upper right of our District ClubRunner website. Cost is \$100 per participant.

Bottle Sale – Bottles, shirts and peace poles were sold just outside the Independent Store in the Capri Mall September 16 - 18th. The theme was Peace Day which is on September 21st. In addition, donations were also accepted for Ukraine. Lockie Bracken has not reported how we did but I did get a nice picture of our table.
