She told the police the man she collided  
with was on his mobile phone and

Police said he can do what he likes in his

We will be at the Kelowna Superstore from  
9am – 3pm!

**World Peace Day, Sept 21 –**

Marking Peace Day at Chute Lake Elementary was a SUCCESS.

One minute of silence was followed by soft music and a short talk by the Principal Brenda Kirsch before Grades K to 5 were let out to Recess. Then 21 teachers gathered with Lockie for photos with their "TEACH PEACE" t-shirts on. They are enthused about teaching kindness and peace.

### **Munson Pond tree plant -**

SATURDAY, OCTOBER 23<sup>rd</sup> - Rotary clubs are being involved in planting trees at the west end of Munson Pond. We have been given 40 Birch trees and they need to be planted this Fall.

So, this is the plan. The City of Kelowna will dig the holes and we would then take the trees out of their pots, add some soil enhancement to the hole and plant the tree. We anticipate that we should have about 25 volunteers to do this and the job should take about 3 hours.

Let President Carola know if you would like to participate in this project.

CHBC, Castanet etc. attend and promote Rotary values as well as enable Rotarians to enjoy Rotary fellowship. The Earth & Science Department of UBCO may send some of their students to join us which would enable Rotarians to show these students what Rotarians do in our community.

### **Rotary District 5060 Website –**

Rotarians need to make a habit of visiting this site on a regular basis.

## GUEST SPEAKER

This evening's speaker was Bob Lemon who spoke on the history of St. Michael and All Angels Cathedral in Kelowna. In particular he described the reasons why the cathedral, originally built in 1913 had to be totally dismantled and then rebuilt. It was a very interesting presentation, and that the entire cost of \$1.7 million dollars came from the congregation except for \$3,163 which came from the City of Kelowna because it was a historical building.

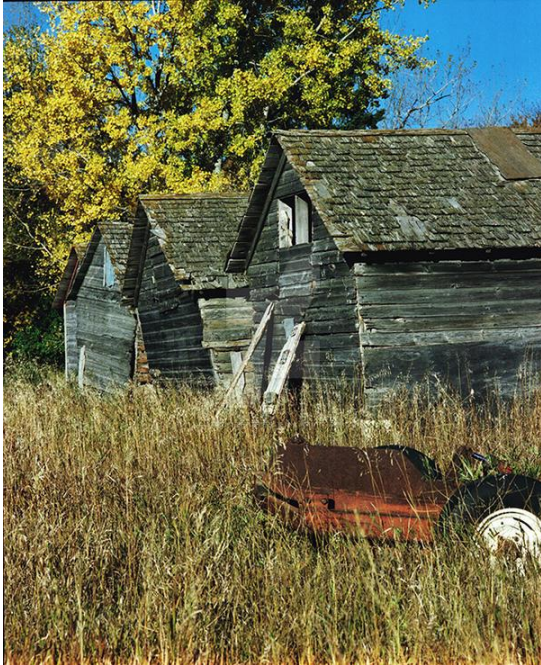

A very worthwhile presentation that can be seen on our ZOOM recording.
