## MEETING OF NOVEMBER 15, 2018

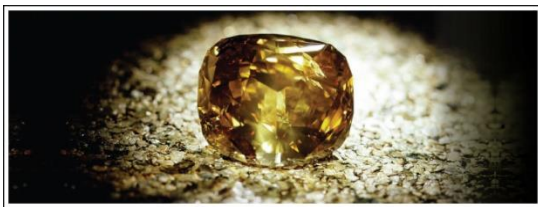

**VISITING ROTARIANS** – Kathy Goheen (RC Kelowna Ogopogo)

**GUESTS** – None

**ATTENDANCE** – 67%

Sheriff Adolf was into large numbers tonight. Numbers such as how many types of apples are there in the world? (7000), how long can you store honey? (3000 years), what is the largest faceted diamond in the world? (Golden Jubilee; 545.67 carats)

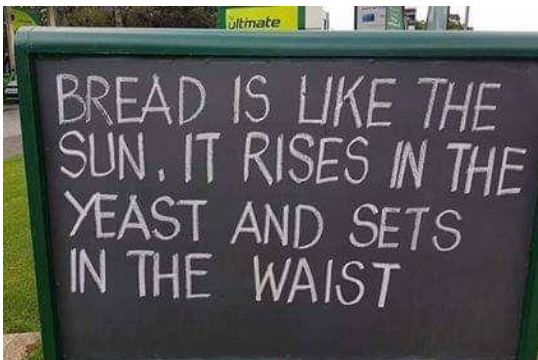

*Golden Jubilee*

and finally, what is the record altitude for a glider? (50,900 feet).

It was a simple exchange, a few questions for all our money.

## HUMOUR

## GUEST SPEAKER

Kathy Goheen speaking to our Rotary club  
Photo by Peter Spek

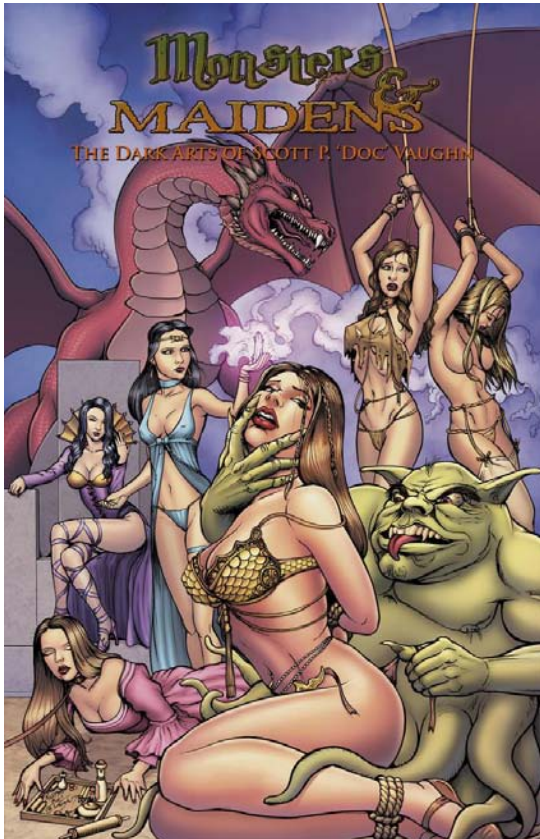

Kathy Goheen visited our club to tell us about a new District Environmental Committee. One of Rotary's Area of Focus is Water and Sanitation; however, it is impossible to isolate these items from the rest of the environment. Simply put, whatever harms part of the environment ends up affecting the rest of the environment and it's cheaper to work on environmental problem than it is to try and fix the after effects.

To address this issue District 5060 has created this new District Environmental Committee whose mission is "we make friends and have fun while working with Rotarians all over the world to improve the environment and create world peace."

Our liaison with this Committee is Jack with John as his backup.

## ART GALLERY

Another style of art work on Deviant Art. Sort of makes me harken back to the days of my youth hanging around the local drug store. I loved comics with well-endowed, scantily clad maidens. Trust me, I wasn't alone!
