

Lobster Dinner Sponsorship Opportunity Saturday June 2, 2018 Parkinson Recreation Centre, Kelowna

This unique dinner experience includes fresh lobsters flown in from Nova Scotia, dancing and wonderful live entertainment along with many exciting silent auction items to bid on. Over 250 people attend, making it one of the largest dinner events hosted in the city each year. All funds raised go directly to support the many important community projects that the Club sponsors here in the Okanagan Valley as well as overseas. Projects supported by our Rotary club have directly supported over 15,000 people in the community last year.

If you are interested in becoming a sponsor or need more information please contact:
