The highlight of the club's Annual Meeting is the election for the executive and officers for the next Rotary year which always commences on July 01 and ends on June 30th. This year's Annual Meeting was held on November 27th, 2015.

The election of the vice-president and officers followed the call to order and opening of the AGM by current president Bill Reynolds.

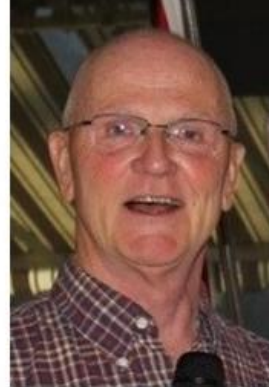

Maribeth Friesen was elected as the club's in-coming vice-president, an extremely important leadership position, as she will assume the position of presidency for the Rotary year 2018-19.

This year's vice-president, Andy Griffin will fill the position of president-elect; while Pat McAllister, this year's president-elect, will assume the position of president of the club for 2016-17. Mike Crowley will continue as treasurer for a second year; while Bob Fortier will begin his third term as secretary. Bill Reynolds will continue on the executive as past-president.

The club will see some new faces on the Board as Rene Bernard will replace Linda Frandsen as International Service Director, Huck Parfeniuk will take on the director of the newly

formed Foundation Service Committee, Doreen Welsh will assume the position of Fellowship Committee Director, a position currently being held by Sarah Mosley, and Heidi Miller will take over the position of director of the Club Service Committee from Maribeth Friesen. Jane Fletcher, who assumed the position of Public Relations Director just recently due to a vacancy in that position for the current Rotary year, will continue as the director of this Committee next Rotary year. Max Mosley will continue as director of the Membership Committee, a committee that has had great renewal due to his leadership for the past two years, along with Laurel D'Andrea as Community/Vocational Service Committee Director and Martha Kennedy as Youth Services Committee Director.

Unfortunately, the position of director for the fundraising Committee was not filled because of a lack of nominations for the position.
