

# Transfer of Leadership Takes Place During Club's 2018 Installation Event

Story by Ed Kolybaba on Jul 09, 2018

While the Rotary Club of Kelowna Sunrise's Annual Installation provides the out-going president with an opportunity to celebrate the successes, to recognize the challenges of the past year and to acknowledge individual Rotarians for their exceptional service, the program is highlighted with the installation of the new president, executive and directors for the new Rotary Year.

Both of these events during the 2018 Installation are highlighted in the following video production, produced by **KCS** Productions:
