

Record Attendance at 2019 Kelowna RibFest

Story and Video by Ed Kolybaba on Sep 08, 2019

The 2019 Interior Savings Kelowna Sunrise RibFest provided a record number of attendees from Kelowna and beyond with yet another fun filled, free three day family festival from August 23rd to the 25th at City Park in Kelowna.

The premier event of the summer in Kelowna provided something for everyone, from entertainment, great food, and beverages for the thirsty, to loads of fun activities for children.

The profits generated from the event were earmarked for JoeAnna's House, Pathways Abilities and Food for Thought, a program offered by Hope for the Nation.

Check out the video production below for a review of an event that provided entertainment and loads of fun at no cost, but still generated sufficient revenue to support special projects and programs in the community. You can also download the video from You Tube from <https://youtu.be/GPpnG9CT7cQ>
