

# Sunrise Rotary's RibFest Kelowna still considered one of the Best Festivals in Kelowna

Story by Ed Kolybaba on Jun 26, 2022

Three years later, citizens and visitors to the Okanagan still consider the Kelowna Ribfest, a major family public entertainment event, one of the best festivals in Kelowna. The Best of Kelowna presented this year by Secure Rite Mobile Storage continues to provide the community citizens and others with the opportunity to vote for their favorite Entertainment Festival in Kelowna.

Interestingly, the last Sunrise Rotary Kelowna Ribfest event took place in August of 2019, but it still resonates in the minds of people that it was something very special that a family could enjoy at no cost, which is generally not the case for much family entertainment.

In 2019, the Kelowna Ribfest received the Kelowna Now Best of Kelowna gold medal; while one year earlier, it had received a silver medal which indicates the growing popularity of the event.
