to Italy

Sept. 03, 2022 – Jun 30, 2023

Host Club
RC Sassari Nord
Sassari, Sardinia

President
Luigi Esposito

Tomas is the son of Antonio and Johanna Faccini from Kelowna. He completed his grade 11 at Kelowna Secondary School this past school year and will continue his studies while in Italy.

Tomas shares that he enjoys participating in sport activities, particularly badminton and swimming, and hanging out with his friends, especially new friends coming from different places in District 5060 who were also out-going RYE students preparing for their new adventures.

Tomas expressed that he “was looking forward to learning a new language and experiencing a completely different lifestyle while abroad. “ He also shared that he was looking forward “to meeting other exchange students and non-exchange students who all have had their own lifestyles that we can share with each other.”

Tomas’s Host City of Sassari

The City of Sassari is situated 14-15 kms south of Golfo dell’Asinara, rising up to 225 metres above sea level and surrounded by olive trees and lush green forests of oak and other Mediterranean trees.

Sassari, located in northwestern Sardinia, is the second largest city in Sardinia with 127,525 inhabitants. It is one of the oldest cities on the island that has a considerable amount of cultural, touristic, commercial and political importance in the island.

Tomas's School: Convito Nazionale Canopoleno

CNC has been operating for over 40 years. At this time the school operates four separate programs:

La Scuola Preinaria

La Scuola Sec Grada

I Liceo Classici

I Liceo Scientifico

Liceo Classico is a Traditional Classical High School which offers a balanced curriculum of humanistic and scientific disciplines for the acquisition of skills that can be spent in any context. The classical studies refine exhibition skills and critical sense preparing for professional success.

Tomas is registered in the 4th year of a five year in the Liceo Classico program taking Italian, English, history, philosophy, mathematics, chemistry, biology, art history, physical education, Latin, and Greek
