The Rotary Club of Kelowna Sunrise and its members continue to generously support the PolioPlus Program of The Rotary Foundation. Since December 01, 2007, the club and its members have contributed US\$39,662 to the Fund to assist in eradicating polio around the world.

In a recent report from the Foundation, the clubs and their members in District 5060, have contributed US\$690,557 to the PolioPlus Fund since December 01, 2007. The same report also indicated that the Rotary Club of Kelowna Sunrise and its members were number one in giving to the Fund in District 5060.

In a recent memorandum to the clubs in the district, District Foundation Chair, Roger Perry, congratulated all of the clubs and indicated how proud he was of our district and the level of funding that the clubs and individual Rotarians had made to the PolioPlus Campaign.
