Club Rotarian Bill Reynolds was recognized by club's International Service/Foundation Committee director Linda Frandsen on July 19th for his commitment of a bequest to The Rotary Foundation. By providing this gift to the Permanent Fund, Bill will be assisting in improving and enriching the lives of those in need around the globe.

In making this commitment, Bill joins eight other club members who made similar commitments through their estate planning and thus is conferred as a member of the Bequest Society of The Rotary Foundation.
