

Club Rotarians Continue to Support Foundation

Ed Kolybaba

Jan 11, 2013

Club members Ken Spence, Linda Frandsen and Barb Penner were acknowledged for their generous support of the Foundation at the club's January 11th meeting by Foundation director Tom Patterson. Ken Spence was presented with a Paul Harris Fellow, making him the 38th current Rotarian with the club to attain this award. Linda Frandsen was presented with a PHF+3 pin, while Barb Penner received a PHF+6 pin for their continued support of the Foundation.

In addition to the 38 current Rotary members who have received a Paul Harris Fellow Award or Multiple Paul Harris Fellow Award, 12 members of the club are benefactors, while an additional six members are members of the Bequest Society.

As of January 24, 2013, the club's Annual Program Fund goal has been achieved by 134 percent with a per capita giving of \$140.29 per club Rotarian. The total year to date giving for the Annual Program Fund is US\$9399.43 while additional donations to other programs of the Foundation total US\$1147.47. It is expected that the per capita donations will continue to rise for the current Rotary year as the club members continue to recognize that their donations are greatly needed to help those less fortunate around the world.
