

## Club Rotarians Honoured with Another Multiple Paul Harris

Story by Ed Kolybaba

June 15, 2013

Rene Bernard and Ed Kolybaba were recognized at the club's Installation event on June 15<sup>th</sup> for their continuous support of The Rotary Foundation by Tom Paterson, the 2012-13 director of the club's International/Foundation Service Committee. Rene Bernard received a PHF+2 pin, while Ed Kolybaba was recognized with a PHF+3 pin.

In making the presentations, Paterson expressed that it is important that our club members continue to support the Foundation financially as the work of the Foundation helps to meet the basic needs of people and communities around the world, especially in third world countries. He added that the Foundation supports projects that save and invigorate the lives of people, and enhance international friendship and understanding. Most importantly, Paterson reminded the Rotarians at the Installation event that becoming a Paul Harris Fellow is not a destination; instead it is simply a single milestone that must be followed by our continuous generous support as a means to help those who are so deprived in the world.

During the presentation, Paterson identified other Rotarians who had been recognized with PHF and Multiple PHF awards throughout the 2012-13 Rotary year. These Rotarians included Ken Spence, Linda Frandsen, Barb Penner, Rene Bernard, Bruce Falkins and Tom Paterson.

In addition, Paterson congratulated the Rotarians who had made a commitment to the Permanent Fund of The Rotary Foundation as benefactors and Bequest Society members during the 2012-13 Rotary year.

Members who were designated as Bequest Society members this year included Jane Fletcher, Rene Bernard, Chris Murphy and Tom Paterson. As Bequest Society members, these Rotarians were also designated as Benefactors and joined Barb Penner, Steve Goddard, and Craig Garries who became Benefactors during the current Rotary year.
