Bob Sibson was recognized for his contributions to the Rotary Foundation with a Paul Harris Fellow on Friday, December 05. At the same time, his wife Michelle was recognized for her support of the program and the Rotary Club of Kelowna Sunrise with a Paul Harris Fellow based on Foundation Recognition Points.

Michelle and Bob Sibson were each presented with a certificate, medallion and pin signifying their attainment of the Paul Harris Fellow awards.

Tom Paterson, on behalf of the club, presented the Awards, and in doing so, expressed how valuable their contributions, along with that of the contributions of other members of the club, were in making a difference in supporting programs that were geared to help those less fortunate in the world, and in enabling the Rotary Club of Kelowna Sunrise to plan and implement projects in third world countries.
