As the Rotary Club of Kelowna Sunrise moves into the second half of the 2015-16 Rotary Year, the Foundation Sub-Committee of the club reports that even though the Canadian dollar continues to lose its value against the American greenback, the club is edging toward its funding goals for the year. It is expected that the club will not have difficulty in achieving its

Foundation Funding goals before the end of the current Rotary year.

As of January 17th, 2016, the members of the club had contributed US\$8769 toward the Annual Fund goal of US\$10,500. In doing so, the club has achieved 83.5 percent of its Annual Fund goal, which amounts to a donation of US\$127 per capita.

While the goal of raising US\$1500 for the Polio Plus Fund is far from being achieved according to the current Foundation statistical report, with only US\$336.13 being identified as received by the Foundation, the club has not yet submitted most of the funds raised from tips received while volunteering at the beverage centres during the Suns Football game this past season.

The Sub-Committee is pleased to share that for the second year in a row, the club will achieve 'Every Rotarian, Every Year' (EREY) status, as all 74 members have contributed toward the Annual Fund of the Foundation.

The Foundation Sub-Committee of the club include members Tom Paterson, Ed Kolybaba, Huck Parfeniuk, Ken Davidson and Linda Frandsen.
