

Tips Donated to PolioPlus Fund

Posted by Ed Kolybaba on Nov 14, 2015

Thanks to Brian Fennell and many volunteers from the Rotary Club of Kelowna Sunrise, the club has come close to achieving its contributions to the PolioPlus Fund of the Rotary Foundation. Club treasurer Mike Crowley reported recently that \$1135.70 had been raised by contributions of tips during the five home games and the two playoff games of the Okanagan

Suns Football Club of BC Junior Football Club in Kelowna.

During the home games of the Okanagan Sun, Fennell has always recruited a team of Rotarian volunteers from the Rotary Club of Kelowna Sunrise who have manned two beverage stations at the football club's stadium, and at the same time have received generous tips from the Sun's supporters.

Together with \$306 raised early in the Rotary year of 2015-16 from the Kelowna Secondary school 40th Reunion Bar, the club is now only \$58.30 from achieving its goal of raising \$1500 toward the PolioPlus Fund.
